

CFA® Exam Level I - Review Suite

Don't just take the CFA® exam. Take it seriously - with the New York Institute of Finance CFA® Exam Level I Review Suite. The Suite will cover everything you need to best prepare for your exam. Dedicate 18 sessions to your exam and we will offer you all of our most popular CFA® review courses at a special savings. The Suite includes our 18 week review course, our intensive Core Concepts courses in accounting and quantitative methods, and our small group problem solving workshop - all of our best courses with our top instructors.

The review course is scheduled throughout the week in the evenings and during the afternoon on Saturdays, and the Core Concepts and Problem Solving courses run on Saturday mornings. In addition, every student receives a complimentary copy of market-leading preparation notes with their registration. Choose the Suite and you will have the best opportunity for success on your exam. With the Suite, you will cover every learning outcome statement in our Level I review course. You will receive special intensive instruction on the most important areas of the exam and, right before the exam, you will work closely with an instructor on the kind of difficult and complex questions you are likely to see on the day of your test.

Depending on the classes you choose, specific days of the week and times of day of the courses will vary. Please contact us to verify that information.

Scheduling Note

Delegates who register for the Review Suite may attend either the Wednesday evening class (5:30 - 8:30 pm) OR the Saturday afternoon class (1:00 - 4:00 pm). The choice is yours! Whenever possible, New York Institute of Finance avoids scheduling courses on holidays and religious observances. However, due to the demanding nature of CFA® Exam preparation, review sessions will be held as scheduled. We regret that sessions cannot be rescheduled to accommodate individual delegates.
