

CFA® Exam Level I - Review Suite

Tired of being just another face in a crowded lecture hall? Frustrated by guarantees that require you to jump through hoops in order to remain eligible? Wondering about the qualifications of the course instructors? Your preparation for the CFA® exam is too important for you to take chances. At New York Institute of Finance, our comprehensive Review Suite will cover everything you need to best prepare for the CFA® Level I exam. The Review Suite includes our 18-session evening Review class, which covers all CFA Institute requirements and learning outcome statements. In addition, our Saturday classes focus on Quantitative Methods, Financial Reporting and Analysis, and Problem Solving. Further, you get our Mock Exam with In-Class Review Session, which helps you determine your progress and direct your last weeks of study prior to the exam.

New York Institute of Finance is confident in the quality of our programs so confident, in fact, that we are pleased to announce the return of our Money-Back Guarantee. Studying for the exam is hard enough already your money-back guarantee doesn't have to be. (1) Attend every class session, (2) Pass a mid-term progress exam, and (3) Pass an end-of-class review exam. Then, if you don't pass the CFA® exam, you are eligible for a full refund. It's that simple.*

Are you a current student or recent graduate? Call our Customer Care Team at 888-641-6616 for information on our rates. Space is limited, so act quickly to take advantage of NYIF's deep discounts on our top-quality review programs!

Targeted Audience

Any CFA® candidate who is looking for a comprehensive supplement to their study of the assigned CFA Program curriculum.

Special Offer

Clients who register for this course will receive a complimentary 4-month subscription to FT.com. The Financial Times is the world's most respected financial newspaper, providing a broad assessment on finance, business and the industrial sector. The move to the electronic version follows an ongoing review of our environmental responsibilities as a global business and as part of the Pearson group. FT.com also has features that are not available in hard copy, such as: Special Reports, Alphaville, editor blogs, education sections and much more! Subscriptions will start within 6-8 weeks of the start of class and are limited to one

subscription per client. (Please note: as of May 1, 2011, the electronic subscription replaces the hard-copy 3-month Financial Times subscription.)

Advance Preparation

To take the CFA® exam, you must be enrolled with CFA Institute, a global membership association that administers the Chartered Financial Analyst® (CFA) and Certificate in Investment Performance Measurement (CIPM) curriculum and exam programs worldwide. For more information about the exam or how to enroll, call 800-247-8132 or visit www.cfainstitute.org. CFA Institute does not endorse, promote, review, or warrant the accuracy of the products or services offered by New York Institute of Finance (NYIF) or verify or endorse the pass rates claimed by NYIF. CFA® and Chartered Financial Analyst® are trademarks owned by CFA Institute.

Prerequisites

CFA® candidates must purchase either the Texas Instruments BA II Plus (including BA II Plus Professional) or the Hewlett Packard 12C (including the HP 12C Platinum) calculator for use in class.

Scheduling Note

There are two Monday sessions and Core Concept Classes are on Saturdays (dates listed below). Whenever possible, New York Institute of Finance avoids scheduling courses on holidays and religious observances. However, due to the demanding nature of CFA® exam preparation, review sessions will be held as scheduled. We regret that sessions cannot be rescheduled to accommodate individual delegates.
