

## Various Mutual Fund Products - Online

An excellent introduction to the global mutual fund industry, this course explores the types of mutual funds, the fund selection process, and the structure of mutual fund companies. As the popularity of mutual funds explodes, this course also examines the trends that are shaping the industry, including indexation, exchange-traded funds and the booming retirement market.

This course replicates the content from lesson 2 of Mutual Funds - Online

This is an asynchronous eLearning course that can be accessed 24/7 from any internet enabled computer. Subscription period for this course is 90 days.
